

HOT WATER MOBILE PRESSURE WASHING AT ITS BEST

HPW-3500-G – Unbeatable

Take a 13 HP Honda gasoline engine, a triplex oil bath pump, and diesel burner, then bolt them to a steel frame and what do you have? Well, besides almost 4 GPM at 3,500 PSI of 180°F brutal cleaning power, you also get two names that stand for quality and reliability, Goodway and Honda. This is our biggest, toughest, hot water pressure washer made to the demanding standards of Goodway's maintenance professionals.
