

A HIGH FLOW WORKHORSE FOR REMOTE LOCATIONS

GPW-4000-G – Max Flow

For situations where you don't have an electrical hookup, or any remotely located area, the gas-powered GPW-4000-G offers you flow while on the go. The 13 HP Honda engine on this all-purpose heavy-duty pressure washer burns clean, sips gas and runs smooth. The engine is well balanced in its rugged cart, so you don't have to be a professional wrestler to transport it from job to job. With 4,000 PSI and 4 GPM, it's all the power and flow you'll need.

GPW-4000-G: Gasoline Powered Pressure Washer, including 4' wand, 50' high-pressure hose, five quick connect nozzles, soap injector and cart**\$2,595,00**
