AV-1200 – Safe and Powerful

For situations when electric power is unavailable or prohibited, the Air-powered AV-1200 is the preferred choice. Maintenance departments all over count on this dependable vacuum. With the ability to devour 45 gallons per minute, it handles all your high-volume liquid recovery needs. From machine oil to coolant and metal chips to fine powders, no matter what your clean up entails, the AV-1200 is up to the task.
