GTC-821-35: Flexible Shaft, 35' **Call for Price**

GTC-821-50: Flexible Shaft, 50' **Call for Price**

Wet Applications:

720 Series Flexible Shafts (Nylon Casing) for Tubes 1" I.D. and Up (see goodway.com)

"GOODWAY IS A STRONG COMPANY THAT HAS OUR BACK."

"One of the reasons I have stayed here so long is because of its respectable ownership. Over the years, I made a lot of great friends and even won multiple sales contests – including the company's prestigious Salesman of the Year Award. I get up in the morning and I am excited to work here," says Ryan.

From a 26-year old fresh out of the navy to an expert maritime salesman, Ryan's impressive 16 years at Goodway have allowed him to see how the company has grown over the years, as well. "So many products have evolved! We started out with a catalog that had 80 pages and now we're at double that," he says. Time has gone by and some of the company's original products have become obsolete, but Ryan is continuing to achieve his goals at Goodway. For the new guys wanting to know how he does it, he offers the following piece of advice, "Show up on time, give a good day's work and you'll be just fine. That's my philosophy."

Ryan Batkay,
Maritime Sales Engineer
