

HEAVY-DUTY FILTERING AND PORTABLE PERFORMANCE

HIGH-CAPACITY

DV-Z75 – All-Day Duty

The DV-Z75 is a powerful, continuous duty, high-capacity vacuum that occupies less space and can be moved around the plant floor easily.

An external filter shaker helps to maintain consistent suction power. The same user-friendly detachable, roll-out tank found on the DV-CD simplifies unloading. High filtration and quiet operation make it perfect for recovering plastic dust, PVC powder, resins, and metal shavings in manufacturing areas, including automated production facilities.

FEATURES

- Heavy-duty brushless blower motor
- Detachable roll-out collection tank
- External filter shaker
- Reusable pocket filter
- Pressure relief valve
- Caster brake
- Tool basket
- 1 1/2", 2" or 3" hoses

DV-Z75: Industrial Dry Continuous Duty Vacuum, including filter, external filter shaker, 27 gallon detachable tank, handles and casters
