

COMBAT HARMFUL BUILDUP

Coil Cleaning Chemicals

COMMERCIAL GRADE

CoilShine®

"When taking into account the entire maintenance program, the improvement represents between a 13-15% increase in system efficiency."

- AIF

CoilShine®-T

CoilShine®-T-Bio

COILSHINE®: If you are looking for a coil cleaner that is easy on you and still capable of cleaning the greasiest and dirtiest coils, CoilShine is what you need. It is an environmentally friendly, biodegradable, expanding foam detergent specifically designed for use with all CoilPro units.

This unique solution penetrates deep into coil beds for thorough cleaning. It is user-friendly, non-acidic, and non-fuming, allowing it to be used in occupied areas and safely washed down drains.

COILSHINE-1: Coil cleaning solution, 1 gallon bottle..... **Call for Price**

COILSHINE: Coil Cleaning Solution, case of four 1 gallon bottles **Call for Price**

COILSHINE-5: Coil Cleaning Solution, 5 gallon bucket **Call for Price**

COILSHINE-55: Coil Cleaning Solution, 55 gallon drum (not shown) **Call for Price**

COILSHINE-T & COILSHINE-T-BIO: CoilShine-T is a safe yet powerful biodegradable coil cleaner from Goodway. What makes it unique? It comes in tablet form. The cleaner is capable of delivering the capabilities of our CoilShine liquid yet is extremely handy to carry.

These innovative tablets are a fraction of the size and weight of liquids. CoilShine-T will effectively remove foreign particulate and light oils from air cooled condenser coils, evaporator coils, fin-fan coolers and PTAC units. Our CC-200 & CC201-T applicator will liquefy the tablets, allowing the cleaner to penetrate deep into the coils.

COILSHINE-T: Foaming, Alkaline Coil Cleaning Tablet, Package of 12 (Recommended for CC-201T & CC-200) ... **Call for Price**

COILSHINE-T-Bio: Coil bio-growth treatment, Package of 12 (Recommended for CC-200),..... **Call for Price**

PAN CARE BIOCIDETABLETS

DRAIN PAN BIOCIDETABLETS: HVAC condensate drain pans act as breeding grounds for slime, sludge, and toxic bacteria like Legionella Pneumophila (Legionnaires' Disease). This buildup can not only clog your drain lines resulting in water overflow and damage to the building, but the bacteria can also get circulated in the air, leading to "sick building syndrome" and health problems for the building occupants.

How can you fight this harmful buildup of debris in your drain pans? Use PanCare from Goodway on a regular basis! PanCare is an EPA-registered biocide, formulated to help prevent the buildup of slime and bacteria in HVAC condensate drain pans. It kills 99% of Legionella Pneumophila and Salmonella Typhi Bacteria and contains a rust inhibitor. Each tablet is weighted to prevent floating and will work for up to 3 months, on a 3 to 5-ton or a 45-ton system (depending on tablet) providing a constant release of biocide into the water.

PAN CARE-24: PanCare Biocide Tablets for a 3 to 5-ton system, one case (24 tablets) **Call for Price**
