

TEST AND INSPECTION EQUIPMENT

Video Scopes – See Clearly

Imagine never wasting valuable time making costly repairs to problems that don't exist. With the Video Scopes, you'll literally never look at HVAC maintenance the same way again! When your system is under-performing and your experience tells you that it could be any one of a number of possibilities, our Video Scopes put you inside so you can determine with 100% confidence the cause of the problem.

All of our units feature 720 x 640 pixels of resolution and 6 bright LEDs for clear viewing. Models are available with either 10' or 30' probes.
