

BEST RESULTS - USE WITH SCALEBREAK®

CE
GDS-C92-FWF

GDS-C92-FWF Clean, safe, simple.

The updated GDS-C92-FWF is constructed of long-lasting, heavy-duty polyethylene and acid-proof components. Featuring the innovative flow reversal valve which eliminates the need to shut down and stop circulation to disconnect and change hoses, allowing for quicker and more effective scale removal. With an on-board tank that allows for foam and CO₂ to be released, eliminating potential pockets, and speeding up the descaling process.

Now with the latest update, the freshwater flush adds two additional ports, a freshwater inlet port and a flush or dump outlet port. These additional ports now provide operators a safe and seamless way to allow fresh water to be added, or discharge dumped without the removal of circulation hoses during the descaling process. Simply adjust your valving to the dump position, open the water inlet valve, and the flushing process begins.

The GDS-C92-FWF is a great option to use for applications between 50 and 120 gallons.

GDS-C92-FWF: Scale Removal System, including 15 gallon tank and two 10' circulation hoses..... **Call For Price**
Note: Chemical goggles must be worn when using this machine.

PH-PROBE-TESTER: Hand held electronic PH tester..... **Call For Price**

PH-PROBE-TESTER

.....
ScaleBreak did an amazing job on my chiller - I have never seen these tubes so clean and not one clog!
– Facility Manager
.....

APPLICATIONS

- Steam generators
- Small shell & tube heat exchangers
- Small package boilers
- Brazed plate heat exchangers
- Modular chillers

FEATURES

- Acid proof pump and fittings
- Innovative flow reversal valve
- 21 GPM pump
- Integrated fresh water flush
- Compact design for easy transport and storage
- 15 gallon reservoir tank
- Venting cap for closed systems

GDS-C92-FWF	
Motor Power	3/4 HP
Input Power	Standard: 8.6 amps, 115V, 60 Hz AC Optional: 4.3 amps, 230V, 50 Hz
Power Supply Cord	18', 18-3
Output Water Flow	21 GPM
Pump	Centrifugal
Tank Capacity	15 gallons
Dimensions	23" deep x 15" wide x 35" high
Weight	50 lbs net dry
