## BFP-3510 Big Shot® 10 HP Beast!

If you're ready for the ultimate surface condenser tube cleaning system, step up to the Big Shot®. You want power? How about 10 HP! You want efficiency? How about a two-gun pump for one or two-person operation!\*

The maximum pumping power of the Big Shot and the proper projectile combine to remove scale, mud, and more, making it a complete tube cleaning system to remove even the most stubborn deposits. Just choose the right projectile for your application and let the cleaning power of the Big Shot's pressurized water do the rest.

*\*Alternating projectile shots.*
