36,000 and 72,000 Watt units also available.

GVC-18000 Continuous Steam Power

The GVC-18000 dry steam cleaner is ideal cleaning equipment for food and beverage production facilities. The machine makes cleaning and sanitizing production and packaging equipment easier, all thanks to its powerful dry steam.

Our system delivers high pressure up to 145 PSI and heat up to 290° F to break down soils like fats, sugars, heavy buildup, and allergens on contact helping you to consistently deliver the results you need as part of your plant SSOPs. It also helps to reduce yeast, mold, pathogenic bacteria, and other dangerous or spoilage microorganisms to an acceptable level.

Plus, dry steam cleaning provides the benefit of targeted cleaning in dry environments, water sensitive equipment, hard to reach areas, and other challenging applications where traditional dry cleaning methods simply can't produce the results you need.

GVC-18000: Heavy-Duty Dry Steam Cleaner, including 33' hose with pistol grip, one-piece 20" wand with detail lance, one-piece 40" wand with detail lance, short detail lance, four 2 1/4" circular nylon brushes, four 2 1/4" circular brass brushes, four 2 1/4" circular stainless steel brushes, four 1 1/2" circular nylon brushes, four 1 1/2" circular brass brushes, four 1 1/2" circular stainless steel brushes, four circular nylon scrubbing brushes, four circular brass scrubbing brushes, four circular stainless steel scrubbing brushes, multi-brush tool, safety glasses, and two chemical tanks..... **Call for Price**
